Academic She has a cumulative grade point average of 4.08 and is undecided in a college major.

Personal She was a basketball player (through 10th grade) and enjoys watching sports. She is a dedicated hard worker and loves animals.

Softball She loves to be competitive and never backs down from competition. She works hard and always wants to improve. She tries to learn as much as she can about the game of softball. She played for the Minnesota Magic the last 3 years, and now plays for the Minnesota Sting 16 Gold team.
